Nivea Good-Bye Cellulite (\$13; walgreens.com)

This non-sticky gel/cream contains L-carnitine, an amino acid said to rev up your metabolism. "After spreading it on twice a day for two weeks, my stomach was visibly toned."

(to reduce dark circles and lines), horse chestnut and moisturizing olive oil leaves under-eye skin

Elizabeth Arden Pro Moisturizing Treatment (elizabetharden.com) This supercharged cream contains retinyl idebenone, a potent antioxidant that skin testers "noticeably smoothed

8 Dermatologist Patricia Wexler's 3-in-1 Eye Cream (\$15)

DDF Mesojection Healthy Cell Serum (\$80; ddf.com)

This serum has the potent antioxidants açai berry and scavenol to fight free radical damage, a glycol complex to brighten and resurface skin, and humectants to moisturize. "It hydrates for hours," said a *Shape* editor.
